ASTRONOMY AND STARGAZING EVENT

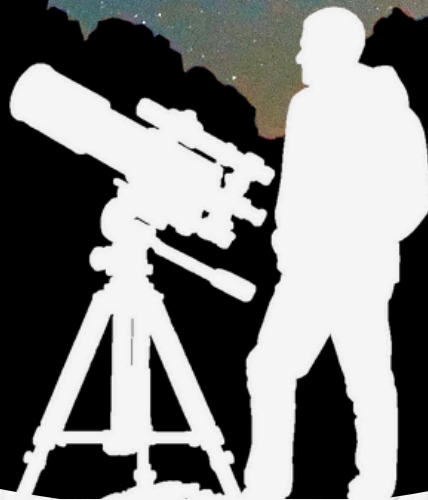

NAINITAL (UTTARAKHAND)

BY

ASTROSTOPS OBSERVATORY

14-16 JUNE

ABOUT THE EVENT

Witness the Universe Like Never Before in Nainital, Uttarakhand (June 14th-16th)!

This is your chance to embark on a cosmic adventure under the perfect night sky. With a half-moon phase, ideal for observing celestial details, Nainital offers a unique opportunity to explore the wonders of the universe.

Your extraordinary experience includes:

Expert astronomer guidance: A knowledgeable astronomer will be your guide throughout the journey, unlocking the secrets of the cosmos. Observe the breathtaking beauty of deep sky objects like nebulae, galaxies, star clusters, and much more.

Daytime adventure: Embark on a trek to a scenic hilltop and witness a mesmerizing sunset. Bond with fellow stargazers as you gather wood to prepare a delightful tea and snack experience under the open sky.

Unforgettable nights: Peer into the cosmos through high-end telescopes under the expert guidance of your astronomer.

But that's not all! This event coincides with a prime time for lunar observation.

Witness history: Gaze upon the landing sites of Apollo astronauts and explore the craters of the moon in incredible detail through our powerful telescopes.

Explore the cosmos: Delve deeper into the night sky, observing a variety of celestial bodies beyond our own moon.
Additional highlights:

Delicious meals and comfortable stay: Enjoy delicious food and comfortable accommodations throughout the event. Don't miss this unique opportunity! Explore the mysteries of the night sky with powerful telescopes, the guidance of an expert astronomer, and the perfect moonlit conditions in the beautiful Nainital. This stargazing adventure, complete with a scenic trek and campfire experience, will be unforgettable!
