COSMIC CARNIVAL

3.0

Nainital (Uttarakhand)

About the Event

"Join the **Cosmic Carnival 3.0** for an astronomy adventure under the soft light of a **waning gibbous moon**.

This unique event takes you beyond our planet, offering an exciting journey with **hiking, picnics, and exploring the cosmos**.

See the wonders of the universe – stars, planets, and faraway objects – through **powerful telescopes**.

Witnessing these celestial marvels, light-years away, will make you feel small and forever change your **view of the universe**.

Prepare to feel insignificant yet strangely connected as you gaze into the **vastness of space**.

**Telescopes & Twinkles: Cosmic
Carnival's Fun-tastic 3.0**
